REACH Declaration

Tag-Connect, LLC designs, manufactures and supplies electronic components (connectors, cables, and adapters).

In regard to Regulation EC No 1907/2006 of the European Parliament and of the Council of 18 December 2006, concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) and the 223 REACH SVHCs updated by ECHA on **January 17, 2022**. (<http://echa.europa.eu/candidate-list-table>):

Tag-Connect is considered a “downstream user”. The products that we supply are not chemical products and will not release any harmful substance during normal and reasonable use.

Our products do not contain any ECHA 223 SVHC (“Substances of Very High Concern”) nor are these substances intentionally added during the manufacture of any of our products.

All statements are based on information believed to be reliable, but the accuracy of completeness is not guaranteed. Before using our product, you must evaluate it and determine if it is suitable for your intended application. You assume all risks and liability associated with such use.

We will monitor the REACH regulations and provide any updates as necessary.
