REACH 235 Declaration

Tag-Connect, LLC designs, manufactures and supplies electronic components (connectors, cables, and adapters).

In regard to Regulation EC No 1907/2006 of the European Parliament and of the Council concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) and the 235 REACH SVHCs updated by ECHA on **June 14, 2023** (<https://echa.europa.eu/-/echa-adds-two-hazardous-chemicals-to-candidate-list>):

Tag-Connect is considered a “downstream user”. The products that we supply are not chemical products and are not known to release any harmful substance during normal and reasonable use.

To the best of our knowledge and based on review with our suppliers, none of the materials contain any of the 235 currently listed Substances of Very High Concern (SVHC) at a concentration exceeding 0.1% weight by weight (w/w) published by European Chemical Agency (ECHA) on 14th June 2023 regarding regulation (EC) No. 1907/2006. This is inclusive of compliance with REACH Annex XIV (Authorization List) and REACH Annex XVII (Restricted Substance List).

All statements are based on information believed to be reliable, but the accuracy of completeness is not guaranteed. Before using our product, you must evaluate it and determine if it is suitable for your intended application. You assume all risks and liability associated with such use.

We will monitor the REACH regulations and provide any updates as necessary.
